Wipe Off

EZYCLEAN BLUE AEROSOL Graffiti Remover

DIRECTIONS

1. Put on safety glasses, gloves and relevant PPE
2. Hold can approximately 20cm away from the surface and spray on the affected area. Work in small areas at a time to ensure the best results
3. Wait 1 - 3 minutes and wipe off with a soft damp cloth using a circular motion
4. Wash the area clean with water and clean cloth to remove any residue
5. Repeat steps 2 - 4 to remove all the graffiti tags

IMPORTANT

Always read the safety instructions before using any cleaning product and observe all safe working requirements eg: safety gloves, safety glasses, long Sleeves etc

Do not apply chemical above shoulder height

Always test a small inconspicuous area first

Always work with small areas at a time

Store in a cool dry place

Shelf life 2 years
